LEADERSHIP UPDATE

Rise Together Leadership Update - ...

COMMUNITY RELATIONS

Over the past few months, the Community Relations section has grown and even added a new team.

Currently, Community Relations is made up of three teams: Development and Outreach, Communications and Marketing, and most recently, Customer Service.

The Customer Service team was added earlier this year in an effort to answer our residents' questions and respond to their needs. Since its implementation, residents have validated the need for a designated Customer Service team by making use of it.

Community Relations has also added some new faces, with Morgan Castleberry (Community Relations Coordinator) and Alaina Reimer (Community Relations Representative) joining the section. In their roles, Morgan oversees the department's social media channels, while Alaina works with volunteer services.

The division is also looking to fill some existing vacancies, which include a [Recreation Program Specialist](#) and a [Community Relations Coordinator](#). If you know of anyone who would be a good fit for either of these positions (including you), make sure you share the links with them!
