WHAT'S HAPPENING?

- Wishing everyone a happy Thanksgiving—check out the holiday video message from Director Reese!
- Media Relations Policy Update - Our media relations policy has been updated to reflect new and improved standards in communication, specifically with media relations and elected official engagement. New protocols have been set to ensure that our media relations continue to build brand awareness, increase credibility & authenticity, establish mutually beneficial relationships and maintain crisis control. This policy is effective November 15, 2022. [Check out the complete policy here.](#)
- Make sure you visit the [holiday lights along the Scioto Mile](#), which are displayed from Nov. 23-Jan. 2. The Scioto Mile will be aglow with holiday lighting, adding an air of festivity to downtown Columbus from dusk until dawn each day.

Favorite aspect of Columbus Recreation and Parks?

I love the sense of community I feel within the fiscal section. We are a close group.

Favorite project that you have worked on?

My favorite project was implementing the ActiveNet registration platform. The cloud-based software gave our department a better online presence and boosted our ability to serve the community by taking credit card payments online.

What is one piece of advice you have?

Invest in your future! Find an alternative retirement plan that works for you and consistently add to it. Father time is undefeated.

Favorite ice cream flavor?

There are no bad flavors of ice cream

What is your favorite book or movie?

Do they still make books? My favorite movie is *Lean on Me*.
