

CITY LEADERS ACADEMY

The City Leaders Academy is now accepting applications for the 2023/2024 program. The City Leaders Academy introduces 6th-9th grade students to the leaders and locations that make Columbus a great opportunity city. This leadership academy is designed to educate and accelerate youth to become model citizens and future leaders of our great city. Our programming for accepted students will focus on leadership development, teamwork, networking opportunities, career development and life readiness. The ideal candidate for the program should exhibit leadership abilities at home, school and within the community, exhibit great behavior and **really want** to be part of this great program. Selection criteria is as follows:

- Must be a city of Columbus resident (*If you are currently receiving City of Columbus trash and recycling services, you are eligible*).
- Must be entering the 6th-9th grade in Fall 2023.
- Only one child per household is eligible each year.
- **Must submit final report from completed grade and maintain a 2.8 grade point average** in school. Students who will enter the 6th grade in the fall must also submit a report card and a letter from a teacher or administrator verifying it equates to a 2.8 GPA.
- A letter from a teacher or administrator acknowledging the youth's academic and leadership abilities should accompany the application. If this is not available, please submit a letter from a community leader; this could be a letter from a civic group or clergy.
- The selection process also includes a one-on-one personal interview between the applicant and program coordinator(s).
- **Students in grades 6th-8th must submit two written essays and 9th graders must submit those essays in addition to a third essay (see instructions on the attached application).**
- Once an application is selected for City Leaders Academy, a parent/guardian must approve participation by fully completing all paperwork and agreeing to comply with program guidelines. Paperwork will be disbursed at orientation. Parents are requested to attend the **mandatory orientation with their child**.
- The program year runs September 2023 through May 2024. **Youth cannot miss more than two City Leaders Academy meet-ups throughout the entire year.** If a youth misses more than two meet-ups, they will not be able to graduate from the Academy. **It is extremely important that both parents and youth check their calendars before applying. Youth participation is imperative and we rely on parents to get them to all meet-ups and events.**

Essay #1: An important focus of City Leaders Academy is to expand a student's understanding of the contribution they can make to their families, their racial and/or ethnic group, school, worship center and the community in which they live and to prepare for life-long learning. Please tell us how you have already made a substantial impact on any/all of the above with your leadership abilities and who has been your mentor along the way.

Essay #2: Consider yourself already a City Leader. Look around your neighborhood, your school, your worship center and your community as a whole and share the one thing you would like to change and the steps you would take to do so (i.e., homelessness, education system, government, school, etc.).

This 3rd question is just for 9th graders in addition to the above two questions

Essay #3: You are now entering high school and are now a small fish in a big pond. What plans are you making for your future and how will you go about achieving your goals? Who will help you?
