WIC is a supplemental nutrition program for women (pregnant, postpartum and breastfeeding), infants and children up to 5 years old. WIC provides nutrition education, nutritious foods, and breastfeeding education and support.

Expand access to high-quality Women's Health and Primary Care clinical services for Linden residents regardless of ability to pay. Improve the health of the Linden population through addressing Social Determinants of Health via Care Management and Community Health Workers. Establish learning partnership with Linden Opportunity Center to grow clinical and Social programming to appropriately address needs of the community.

When trauma happens to one, it happens to all of us. You don't have to heal from trauma alone. A social worker will connect you with resources based on your personal needs. For more information learn more at <a href="https://www.columbus.gov/CARE">www.columbus.gov/CARE</a>.

Healthy Neighborhoods Healthy Families (HNHF) focuses on creating positive health outcomes in the community. Our work with Economic Development is a crucial part of neighborhood revitalization creating the opportunity for residents to obtain stable employment at a livable wage. Essential career services are provided to unemployed and low-income residents. These services include individualized career planning, employment skills training, job placement, and retention services.

Created in 2011, by former Mayor Michael B. Coleman, the mission of the APPS program is to reduce crime and violence by increasing protective factors in the lives of Columbus youth and young adults (ages 14-23) through proven prevention and intervention strategies. The initiative's prevention strategies include offering safe and constructive alternatives to violence while youth development professionals provide mentorship through enrichment activities at Linden Community Center.

COAAA arranges and coordinates services to help individuals with daily living such as homemaking, transportation, home delivered meals, and personal care. COAAA offers education and resources to caregivers, professionals, and the public and advocates for programs and policies that benefit older adults and individuals with disabilities.
