

Smith Farms

3.1 Miles

Course Capacity: 500

Smith Farms

Start on the trail next to the parking lot off of Watkins Rd

Follow the trail southwest toward Alum Creek and cross the bridge

Stay to the right to do a loop around the field

Cross back over the Alum Creek bridge and immediately turn right (south) on the Alum Creek Trail

Staying on the right side of the trail, do a loop around the pond and continue back north

Turn right (east) on the trail back to the start/finish

This course can also be used in the opposite direction staying on the left side of the trail and following the course in reverse.

Start on the trail next to the parking lot off of Watkins Rd

Follow the trail southwest toward Alum Creek

Turn left (south) on the Alum Creek Trail

Staying on the left side of the trail, do a loop around the pond and continue back north

Turn left (west) toward Alum Creek and cross the bridge

Stay to the left to do a loop around the field

Cross back over the Alum Creek bridge and continue on the trail back to the start/finish
